CycloStreetart: what awaits you in video

Live only through the Legendr app

Download the app

App, bike and streetart: how does it work?

A single app (Legendr) to guide you through 3 bike routes and 7 street works unique and immersive art.

- 3 nature bike routes for young and old.
- 7 unique street art works to experience in 2D/3D
- 1 single app to guide you, with family or friends

Each course is punctuated by a story that immerses you in the authentic history of the territory (story accessible through the Legendr application). Between Charentaise nature, heritage local and immersive surprises, the application guides you throughout your bike ride

- **Download Legendr**
